

Universitas Pertamina International Undergraduate Dual Degree Program in Chemical Engineering

Two degrees.
One life-changing experience.

Bachelor of Chemical Engineering

Dual Degree Program

**Department of Chemical Engineering
Universitas Pertamina**

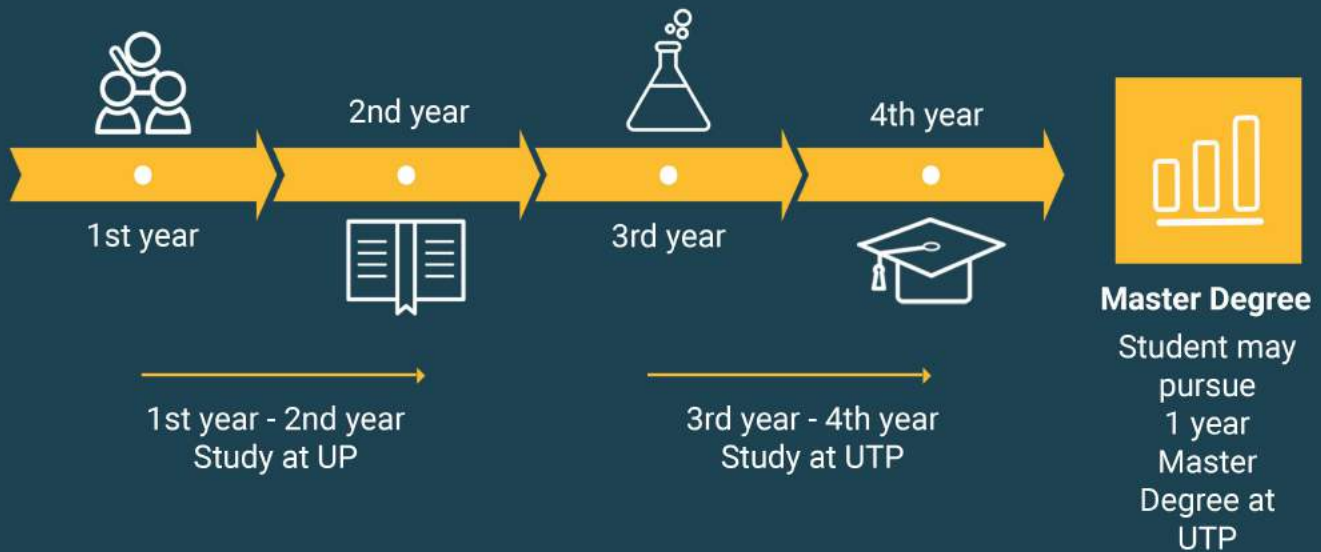

**Department of Chemical Engineering
Universiti Teknologi Petronas**

UTP
UNIVERSITI TEKNOLOGI PETRONAS

Dual Degree Program in Chemical Engineering

This program is a collaboration between Universitas Pertamina (UP) and Universiti Teknologi Petronas (UTP) to facilitate students experiencing study abroad. In addition, graduates in this program will be awarded 2 bachelor degrees from UP and UTP. The curriculum is designed for a normal study period of 4 years with 2 + 2 scheme.

Benefit Gained from Dual Degree Program

- 1 Top ranked university.
- 2 Widen your perspective.
- 3 Develop cross – cultural and understanding communication.
- 4 Learn self dependence.
- 5 Global experience.
- 6 Based on international applied curriculum.
- 7 Internship opportunities at multinational companies.
- 8 Enhance career opportunities.
- 9 Double degree in one program.
- 10 Highly qualified faculty members.

GOVERNMENT MANDATORY

- Scientific Writing
- Religion and Ethics
- Ideology
- Civics

INDUSTRIAL ENGAGEMENT

- Internship
- Research

INDUSTRIAL 4.0 SOFT SKILL

- Critical Thinking
- Energy Technology & Business
- Innovation & Entrepreneurship
- Creative Problem Solving
- Sustainable Development
- Data Analytics

PERTAMINA BUSINESS SPECIALIZATION

- Surface Operation & Production of Hydrocarbon
- Petroleum Refinery
- Petrochemical Process

CHEMICAL ENGINEERING

- Mass & Energy Balance
- Industrial Risk Management
- Chemical Reaction Engineering

- Process Synthesis & Simulation
- Industrial Waste Management
- Separation Process
- Chemical Plant Design

Learning Approach at Universitas Pertamina

- Synchronous and asynchronous.
- Interactive discussion (double loop learning).
- Experiential learning (field trip, guest lecture, lab, etc).
- Student centre learning (lab, etc).

Requirements:

Admitted as UP international student for academic year 2022/2023.

Complete all 2 years courses taken at UP, with GPA minimum of 3.00 (4.00 scale).

Have minimum TOEFL score of 500 (PBT or equivalent) or as required by UTP before departure to UTP.

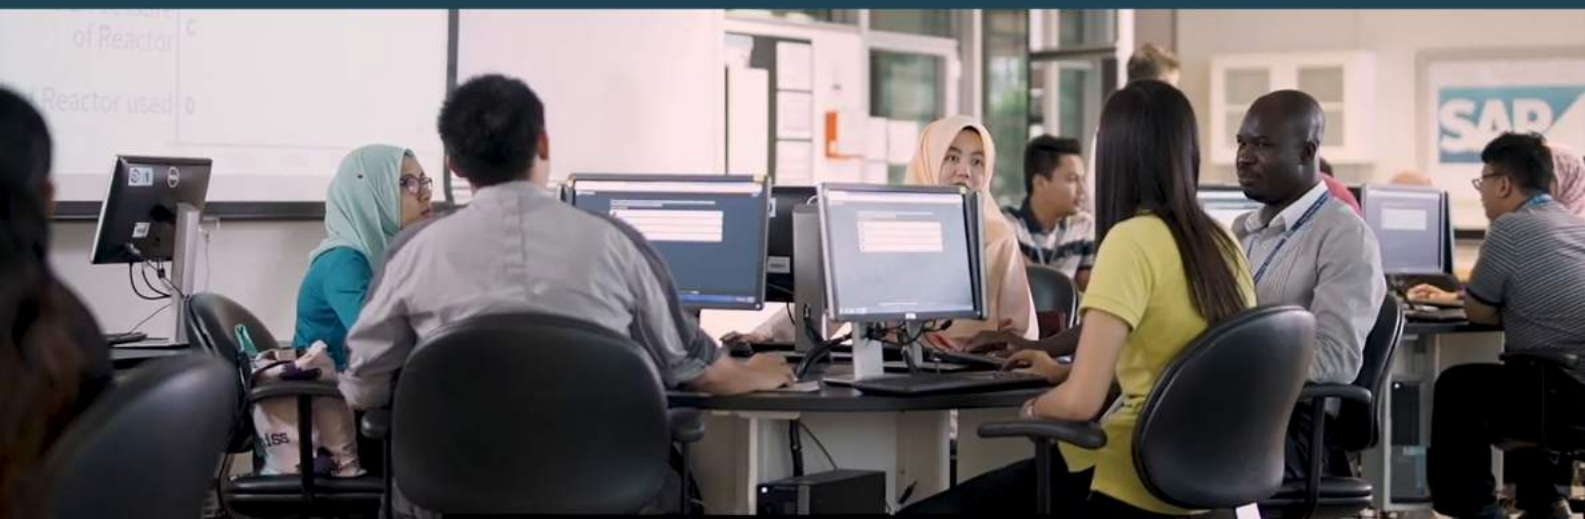

Follow all the regulations sets by UP and UTP.

✓ Fill out letter of consent.

✓ Pay the admission and the first semester tuition fee.

✓ Take the courses;
The class will start in September 2022.

Life in Campus at UP

Sport and Art Activities

27 student clubs varied from sports, arts, religious, clubs are open for both local and international students.

Field Trips

As industrial-oriented University, UP is committed to engage students beyond classroom. Students learn from the leading experts through company visit, field trip, and internships.

Research & Community Service Works

Assisting lecturer's research work, independence research.

Education Fees at UP

Cost	Amount (IDR)
Tuition fee	25.000.000 /Semester
Admission fee	Start from 20.000.000

Education Fees at UTP*

Cost	Amount (RM)
International Student Tuition Fee (6 semesters)	44,749
Accommodation Fee (4 semesters exclude internship)	3,280
Semester Resource Fee (4 semesters)	4,784
Registration Fee	5,000
Alumni Fee	50
International Students Bond & Personal Deposit (refundable)	3,250
Processing Fee @ USD50	205
Total Fees to Pay	61,318 (Approx USD14,850)

Fee for Integrated Programme

Total Fees for Bachelor of Chemical Engineering with Honours (2+2)	61,318
Fee for Integrated Programme	2,133
Total Fees for Bachelor of Chemical Engineering with Honours (2+2) with Integrated Programme	63,451 (Approx USD15,350)

Tuition Fee for MSc Process Safety 3 Semesters	36,400
Course Exemption (Vertical Credit Transfer) through Integrated Programme	-7,650
Accommodation Fee (3 semesters)	2,460
Semester Resource Fee (3 semesters)	1,200
Registration	1,400
Commitment	800
Personal Bond (refundable)	3,000
Total Fees for MSc Process Safety	37,610 (Approx USD9,100)

*Education Fees at UTP for Academic Year 2021 and will be updated

Note:

1. VISA application fees (approx. RM2500) should be borne by respective Universitas Pertamina students. The VISA processing would take around 2 months.
2. The above fees are based on existing prevailing fees, and it is subject to change.
3. Personal Monthly Living Expenses @ Approx. RM450 per month.
